Deadlines

Permitting Deadline: Print-ready art is due **three weeks** prior to posting date for approval. The Denver Theatre District (DTD) and City of Denver (City) must approve content prior to issuance of an installation permit. Permits may take up to five business days from the date submitted, plus two additional days for approval application processing. Materials shouldn't be produced until final approval is received from both the DTD and City. Branded Cities is not responsible for any materials produced prior to receipt of final approvals.

Installer Deadline: Vinyl material must be supplied to installer **ten days** prior to posting.

General Production Information

Vinyl Specifications:

- All vinyl material is required to be accepted by the MEA as flame resistant in accordance with the 1996 edition of NFPA 701 (Standard Methods of Fire Tests for Flame Propagation of Textiles and Films).
- The edge restraint system along the entire periphery of the vinyl display will have welded seams.
- The vinyl will be stamped with original date of manufacture.

Proofs: Electronic proofs will be provided for final approval. Production does not begin until a proof is approved. Hard proofs are available but add a minimum of 48 hours to the production timeline and incur an additional fee.

Labels: Finished products delivered to installers are required to have labels that include an image of the copy along with the measurements of the product.
