DESTINATION DESCRIPTION

The Eastside spectacular is located on busy 3rd Avenue at 50th Street, between the Queensborough Bridge and the Queens-Midtown Tunnel. In the heart of Midtown Manhattan, just north of the famed Smith & Wollensky Steakhouse, this area is in high demand due to the lack of other large-format Out-of-Home opportunities nearby. Within close proximity to this spectacular are well-known points of interest like, Grand Central, Bloomingdales, the MoMa and Rockefeller Center, to name a few.
