

Universal Sizing Template

Please Note: The East Market Digital Domination is a network of four digital screens of varying sizes. These file specifications allow the creation of a single layout to correctly fit all four screens. Please keep all key design elements, text and images within the Live Area to avoid any important content from getting cut off.

***Should your brand require borders around the perimeter of the displays, please contact US Digital Operations for support.**

Content Specifications

Final Content Size: 648px high x 1800px wide

Live Area: 592px high x 1672px wide

Allow at least 10px margin for design elements and text
